Taken by J. E. Clark to
be made into a skin

Jan. 14 by W.D.]

My dear Albert,

Will you please show
the enclosed bird to Mr. Deane,
ask him to note the
date carefully & then
take the specimen to Clark
409 Washington St. to
be made up into a
skin for me. Tell Mr. Deane
to note the two dates
& the fact that the
bird is unmounted.

Yours

W. Brewster.
